About Klithjem Seaside Hotel

Klithjem is a historic seaside hotel located by Vejers Beach, just 350 metres from the North Sea. The hotel offers 24 rooms, is exclusively for adults, and includes half board with breakfast and a three-course evening dining experience. It is one of the few remaining traditional seaside hotels on Denmark's west coast – a place that has stood on the same foundation since 1925. Klithjem Seaside Hotel is for guests who choose tranquillity over noise and genuine presence over fast-paced entertainment. For those seeking an authentic North Sea coastal experience – not a package holiday. Here, time does not stand still. It simply moves a little more slowly. A small retreat where the atmosphere is welcoming, the pace is relaxed, and the hospitality is personal.

Here, we stay true to the simple things.

The sea. The tranquillity. The sense of presence.
